Serving commuters, business and community

# HART

Serving **business, commuters\***  
and **community**

\* including residents of Pennsylvania commuting to a  
Hunterdon County worksite.

**HART** is a non profit alliance of the public and private sectors dedicated to reducing traffic congestion, improving air quality and providing information on the transportation choices available in Hunterdon County, NJ.

**HART** works to educate the commuting public on alternatives to driving alone; facilitate the formation of, and provide support to, carpools and vanpools; and promote travel demand management.

**HART** is funded in part by the NJ Department of Transportation, NJ TRANSIT and Federal Highway Administration (FHWA). All **HART** programs and services are offered free of charge.
